Dear Alan,

I wanted to thank you for your participation at Mountain Lake PBS's first annual Health and Safety Fair. The Fair was a great success and we couldn't have done it without you!

The entertainment at the fair was the highlight for all involved; seeing kids fascinated by magic brought a smile to everyone's face! The kids were not the only one's in awe of your tricks, parents too got into the show. I watched as parents went from being happy their kids had a show to watch to becoming involved in the show themselves! Quite a transition!

Thank you again!

Warmest Regards,
