November 30, 1995

To Whom it May Concern:

This is to confirm that Alan Greenberg (Houdini Magic Club) provided magicians for the Grand Opening celebrations of Westmount Public Library on November 10 and 11, 1995. The magicians entertained thousands of visitors who toured the library. The balloon-sculptures and conjuring tricks were a big hit, and the magicians related well to the audience. The performances given by Mr. Greenberg himself were particularly effective.

I would recommend the Houdini Magic Club to other organizations who are interested in this type of activity.

Yours truly,

Joanne Stanbridge
