

'Since 1991, Alan Greenberg has been our camp magician offering a weekly magic program throughout the summer to campers ages 3 through 14. Magic is one of our most popular camp activities, not just because of the wow-inspiring tricks that Alan does but because of Alan himself. Alan's shows are always fun and dynamic, he is able to entertain and captivate the attention and imagination of campers of all ages and adults alike. Alan is extremely professional and easy to work with, he takes his job seriously and makes sure that everyone in attendance has a great time. When it comes to magicians in Montreal, Alan is by far the best! '
