Dear Mr. Greenberg:

We would like to extend to you our sincerest thanks and appreciation for your participation at our Noogieland Grand Opening. Your performance "magically" brought smiles to the faces of children, young and old alike.

We thank you for your support, and on behalf of the children affiliated with our Noogieland programming, we also thank you for making a difference in helping improve the quality of life of those touched by cancer.

Best Regards,

Rosanna Magnone
Noogieland Coordinator
